

Attachment G
KIPBS Candidate
Certificate of Availability of Technology

Candidate Name: _____

Date: _____

I, _____ (name of supervisor), certify that the above-mentioned candidate for KIPBS training has available to them the necessary technology. I understand that the minimum computer requirements for navigating the modules are:

- Pentium I Processor
- 16 MB Ram
- Internet connection (Internet Explorer 6 or Netscape 6 or higher)

I understand the candidate must have access to the following software required for the training:

- A presentation program (e.g., PowerPoint)
- Microsoft Excel for graphing
- QuickTime to run the supplemental CD or view the video clips online
- A word-processing program (e.g., Word)

I also understand the candidate must have access to a video camera with audio capability.
